

The Mallyan Spout is located in the idyllic village of Goathland in the North Yorkshire Moors and has excellent views of the moors and Esk Valley. The Hotel has extensive gardens at the rear of the Hotel which are delightful for the Wedding pictures and drinks receptions.

Wedding Breakfast

We are able to accommodate upto 60 guests for a seated Wedding Breakfast.

Alternatively, if your numbers exceed this, we have beautiful gardens to hold a marquee. We have recommended a Marquee hire company – and these arrangements should be co-ordinated directly by you.

We have enclosed some sample menus, buffets, canapés and drinks packages for your perusal. Prices are per head and include use of the dining room for the duration of the meal. An additional full wine list is available on request.

If you wish to extend your celebration into the evening, when we can accommodate an additional 25/30 guests – then all of the 20 bedrooms would need to be booked for the evening of the wedding, with a minimum of 10 rooms the night before.

(If you only require use of the restaurant for the wedding breakfast – then the room would need to be vacated by 5.45 p.m)

If you require exclusive use of the Hotel and the gardens for the Wedding day there will be a charge of £350.00

Booking

Prior to booking, please make an appointment to see Nicky/Kay to discuss your specific requirements.

Please note that we do not accept Wedding receptions over a Bank Holiday weekend.
